

Join Us

Our membership is a blend of dentists and non-dentists (people who work in the area of dental insurance claims). Some of our members are independent dentists working in a consulting role to plan sponsors and third party administrators. Other members are employed directly by third party plan administrators in the dental contract interpretation area.

We have 2 membership categories:

- **Active** (this is for dentists) fee is \$200/year or \$225 if paid after April 30th
- **Associates** (this is non-dentists) fee is \$125/year or \$150 if paid after April 30th

Joining is easy – just print this membership form and mail it with your payment.

Our membership year runs from January 1st to December 31st. Dues are to be paid promptly. CADCC is operated by volunteer members. Read more about us on our website at dentalconsultants.ca.

Membership Benefits

Staying ahead of the curve in terms of billing abuse and dental fraud can be challenging. Just when you think you've seen it all, there's a new twist. Our members find being able to network (we use Google Groups) with each other to be very helpful. The synergy generated benefits everyone involved. You must be a CADCC member to participate in this networking.

Annual Symposium

Each September we host a Symposium. Topics change from one year to the next but they are always relevant to current trends we see in the dental benefits industry. And being a national organization we change the location each year.

The Planning Committee is working on the program so check our Resources page for updates throughout the year. You do not have to be a member of CADCC to attend this event but non-members do not receive the discounted fee.

Membership Form

CADCC Membership in Three Easy Steps

1. Print the form
2. Fill in your information
3. Mail it with your membership fee, payable to Canadian Association of Dental Consultants

Title: Dr. Mr. Mrs. Ms.
