From our President

Dr. Kristy White

I hope everyone is well and has marked the dates of October 4, 5 and 6 on your calendars to be held this year in fabulous North Vancouver.

The symposium committee is hard at work securing event space and dynamic speakers. Besides having an informative education component, there is lots to see and do – check out the photos on pages 2 and 3 for a taste of what’s available. And with the weather being so temperate it’s great to enjoy the many outdoor activities such as walking the Capilano Suspension Bridge crossing the Capilano River in the District of North Vancouver. BTW, the bridge is 140 metres long and 70 metres above the river.

See you there.

Kristy
